North Shore Community School adheres to Minnesota state law regarding enrollment practices. These practices include:

- NSCS will enroll all students who **submit an application** on or before the **first of March** unless the number of applications exceeds the capacity of a class, grade level or building.
- In the event that applications exceed capacity a **lottery** may be conducted on the second Tuesday of March.
- Students are enrolled on a first-come, first-served basis after the lottery until grade levels are full.
