A. HANDBOOK LIMITATIONS

This Employee Handbook (“Handbook”) serves as a source of information for employees regarding the policies and procedures of North Shore Community School (“NSCS”). This Handbook is not exhaustive. This Handbook provides general policy and procedural guidelines. These policies and procedures are not conditions of employment, and do not constitute an employment contract. These policies and procedures are subject to additions, deletions, or changes by NSCS from time to time, without notice or update. NSCS reserves the right to vary from these policies and procedures if, in its opinion, the circumstances so require.

All NSCS employees are responsible for reading and complying with this Handbook.

This Handbook is a general statement of policy, to be applied and modified by NSCS at its discretion. This Handbook is not a contract, express or implied, of employment. This Handbook does not guarantee employment for any specific duration.

This Handbook supersedes and revokes all prior guidelines, handbooks, and memoranda.

Nothing in this Handbook is intended to interfere with, restrain, or prevent concerted activity as protected by the National Labor Relations Act (“NLRA”). Such activity includes, but is not limited to, employee communications with each other and with third parties regarding wages, hours, or other terms or conditions of employment. Employees have the right to engage in or refrain from such activities.

The provisions and requirements of state and federal law supersede all provisions of this Handbook. In the event that there is a conflict between this Handbook and any state or federal law, the law governs. NSCS intends to comply with all applicable state and federal laws. Furthermore, in the event that there is a conflict between this Handbook and any stand-alone policy, the policy governs. Finally, in the event that there is a conflict between this Handbook and any written employment agreement, the agreement governs.

B. EMPLOYMENT PRACTICES

1. EMPLOYMENT CLASSIFICATIONS

All positions are classified as full-time, part-time, or temporary. All positions are also classified as non-exempt or exempt under the Fair Labor Standards Act.

Full-time Employees: Employees who are scheduled to work 30 or more hours per week. These employees are generally eligible for all of the benefits provided by NSCS, subject to the terms, conditions, and limitations of each benefit.

Part-time Employees: Employees who are scheduled to work less than 30 hours per week. These employees are generally eligible for some of the benefits provided by NSCS, subject to the terms, conditions, and limitations of each benefit.

Temporary Employees: Employees who are hired to assist in the completion of a specific project or for vacation relief. Employment beyond any initially-stated period does not in any way imply a change in employment status. These employees are not eligible for most of the benefits provided by NSCS.

Non-exempt Positions: Positions that are not exempt from the minimum wage and overtime requirements of the Fair Labor Standards Act. Overtime will be paid for all hours worked in excess of 40 hours per work week in accordance with the Fair Labor Standards Act.

Exempt Positions: Positions that are exempt from the minimum wage and overtime requirements of the Fair Labor Standards Act. Executive, administrative, and professional positions, among others, are exempt.

2. EQUAL EMPLOYMENT OPPORTUNITY

NSCS is committed to providing equal opportunity in employment for all qualified applicants and employees without regard to race (including traits associated with race, such as hair texture and hair styles), color, creed, religion, national origin, sex (including pregnancy), gender identity, gender expression, marital status, familial status, veteran status, status with regard to public assistance, membership or activity in a local commission, disability, sexual orientation, age, genetic information, or any other classification protected under local, state, or federal law. NSCS is also committed to prohibiting discrimination in employment on the basis of race (including traits associated with race, such as hair texture and hair styles), color, creed, religion, national origin, sex (including pregnancy), gender identity, gender expression, marital status, familial status, veteran status, status with regard to public assistance, membership or activity in a local commission, disability, sexual orientation, age, genetic information, or any other classification protected under local, state, or federal law.

This policy extends to all qualified applicants and employees in all aspects of the employment relationship including, but not limited to, recruiting, hiring, promotion, transfer, compensation, discipline, and termination.

Discrimination will not be tolerated. Similarly, retaliation against any employee who makes a report of discrimination or who participates in a discrimination investigation will not be tolerated. Any employee who engages in discrimination and/or retaliation will be subject to disciplinary action, up to and including termination of employment.

3. WHISTLEBLOWER NOTIFICATION

Purpose

It is the purpose of this section to outline protected conduct and to identify the procedures for reporting suspected violations of law. Further, it serves to encourage and enable board members, directors, officers, and employees to raise serious concerns about the occurrence of illegal or unethical actions within NSCS before turning to outside parties for resolution. If any board member, director, officer, or employee reasonably believes that some policy, practice, or activity of NSCS is in violation of the law, a written complaint must be filed with the Executive Director or a school board member. It is the intent of NSCS to fully comply with laws regarding protection for individuals who report a violation or suspected violation of any federal or state whistleblower law or rule.

Acting in Good Faith

Anyone filing a complaint concerning a violation or suspected violation of any law, or rule adopted pursuant to law, must be acting in good faith, have reasonable grounds for believing the information disclosed indicates a legal violation, and provide the school with a reasonable opportunity to investigate and correct the alleged unlawful activity. NSCS will not discharge, discipline, threaten, or otherwise discriminate against or penalize a board member, director, officer, or employee regarding their compensation, terms, conditions, location, or privileges because they file a complaint in good faith. Any allegations that prove not to be substantiated and which prove to have been made maliciously, knowingly false, or in reckless disregard of the truth will be viewed as a serious offense.

Retaliation Prohibited

No board member, director, officer, or employee who takes action as described above shall suffer harassment, retaliation, or other adverse consequences. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline, up to and including termination of employment.

This policy is to be interpreted in accordance with Minn. Stat. § 181.932.

4. ACCOMMODATIONS

NSCS will provide reasonable accommodation of any employee's disability or religious beliefs, observances, or practices, so long as such accommodation would not impose an undue hardship. NSCS will also provide reasonable accommodations to an employee for health conditions related to pregnancy or childbirth. NSCS will engage in an interactive process with any employee who requests an accommodation.

NSCS will provide the following accommodations to any pregnant employee at their request: (1) more frequent or longer restroom, food, and water breaks; (2) seating; and (3) limits on lifting over 20 pounds.

With respect to other accommodations, which may include, but are not limited to, temporary transfer to a less strenuous or hazardous position, temporary leave of absence, modification in work schedule or job assignments, seating, more frequent or longer breaks, and limits to heavy lifting, NSCS may request certification from the pregnant employee's licensed health care provider or certified doula and may refuse to provide an accommodation that would impose an undue hardship on the operation of its business.

NSCS will not discharge, discipline, penalize, interfere with, threaten, restrain, coerce, or otherwise retaliate or discriminate against an employee for asserting their rights or remedies under Minnesota's Pregnancy Accommodations law or any other local, state, or federal law.

NSCS will not require any employee to take a leave of absence or to accept an accommodation. Any employee who requires any type of accommodation should contact the Business Office.

8. The creation (whether intentional or careless) of a work atmosphere that is offensive or intimidating.

Reporting

Any employee who believes they have been subjected to a violation of this policy or any employee who believes they have witnessed another employee being subjected to a violation of this policy, must promptly report the violation to their immediate supervisor or the Executive Director. If the supervisor or Director is the source of or a party to the violation, or does not respond to the report in a timely and appropriate manner, or the employee is not comfortable reporting to them for any reason, the employee must promptly report the violation to any member of the NSCS Board, including the Chair.

NSCS will not retaliate against any employee who reports a violation of this policy. NSCS will promptly investigate any report of a violation of this policy. NSCS will appropriately discipline any employee who commits a violation of this policy.

This policy does not limit employees' rights to communicate with each other or with third parties about their wages, benefits, or other terms and conditions of employment.

*Please refer to the Harassment and Violence Policy 413 for additional information regarding other forms of harassment.

2. EMPLOYEE GRIEVANCE

I. Purpose

The purpose of this policy is to provide a structure through which employees can get assistance with the resolution of interpersonal and employment-related issues. NSCS recognizes the value and importance of resolving misunderstandings and maintaining collegial relationships among all employees.

The supervisor will listen to all sides of the issue and will perform an adequate, reliable and impartial investigation. The supervisor will discuss, mediate, and decide on the course of action to follow, which is documented on the Grievance Form. Affected employee(s) will receive communication and/or an updated Grievance Form with requested actions from the supervisor within 10 business days.
3. If satisfactory resolution is not achieved, the parties may bring the issue to the Director (if the Director was not the supervisor in A.2). The Director will listen to all sides of the issue and will perform an adequate, reliable and impartial investigation. They will discuss, mediate, and decide on the course of action to follow, which is documented on the Grievance Form. Affected employee(s) will receive communication and/or an updated Grievance Form from the Director within 10 business days. 2. If satisfactory resolution is not achieved, the employee may bring the issue to the Director. The Director will listen to all sides of the issue and will perform an adequate, reliable and impartial investigation. They will mediate, and decide on the course of action to follow, which is documented on the Grievance Form. Affected employee(s) will receive communication and/or an updated form from the Director within 10 business days. The Director's course of action is final.

C. Grievance between employee and Director:

1. Parties must try to resolve the issue with respect and civility before filing a grievance. This must be completed in order to proceed to the next step- and is documented on the Grievance Form.

must provide the completed Grievance Form to the Board Chair. The Board Chair (or a designee from the NSCS Board that is named by the Chair) will perform an adequate, reliable and impartial investigation. They will mediate, and recommend to the School Board the course of action to follow. The Board will determine the final course of action, which will be documented on the Grievance Form. Affected employees will receive communication and/or an updated Grievance Form from the Board Chair/Designee within 15 days. The School Board's determination is final.

2. MEAL, WORK, AND NURSING BREAKS

Meal Breaks: All non-exempt employees may take one 30-minute unpaid break. Meal breaks should be taken at scheduled times. The meal break may not be used to perform any work duties.

Work Breaks: All non-exempt employees will be given sufficient time to use the restroom or attend to personal needs throughout their workday.

Breaks for Nursing Mothers and Lactating Employees:

Lactating employees have the right to reasonable paid break times to express milk at work unless they are expressing milk during a break that is not usually paid, such as a meal break. NSCS will provide a clean, private and secure room that is not a bathroom near the work area that includes access to an electrical outlet for employees to express milk. NSCS will not retaliate, or take negative action, against a pregnant or lactating employee for exercising their rights under the Minnesota Nursing Mothers and Lactating Employees law. Employees who believe their rights have been violated under the law can contact the Minnesota Department of Labor and Industry's Labor Standards Division or file a civil lawsuit for relief.

3. EXPENSE REIMBURSEMENT

Any expenses incurred by employees must be approved in advance by the Executive Director. Reimbursements will be processed like an invoice. All completed reimbursement request forms should be submitted to the Business Office for processing. All expenses must have accompanying receipts for reimbursement.

4. SALARY DEDUCTIONS

Exempt employees receive a salary intended as compensation for all hours worked. An exempt employee's salary is established at the time of hire or when an employee becomes classified as an exempt employee. While an exempt employee's salary is subject to review and modification from time to time, such as during a performance evaluation, the salary is a predetermined amount of compensation that is not subject to deductions for variations in the quality or quantity of work performed or for absences occasioned by or by the operating requirements of NSCS. Subject to the exceptions listed below, an exempt employee must receive their full salary for any workweek in which they perform any work, regardless of the number of days or hours worked.

Absent contrary state law requirements, deductions from an exempt employee's salary are permissible when an exempt employee: is absent from work for one or more full days for personal reasons other than sickness or disability; for absences of one or more full days due to sickness or disability if the deduction is made in accordance with a bona fide plan, policy or practice of providing compensation for salary lost due to illness; to offset amounts employees receive as jury or witness fees, or for military pay; or for unpaid disciplinary suspensions of one or more full days imposed in good faith for workplace conduct rule infractions. Also, an

employer is not required to pay the full salary in the initial or terminal week of employment; for penalties imposed in good faith for infractions of safety rules of major significance, or for weeks in which an exempt employee takes unpaid leave under the Family and Medical Leave Act (FMLA). In these circumstances, either partial day or full day deductions may be made.

It is our policy to comply with the salary basis requirements of the Fair Labor Standards Act. We want employees to be aware of this policy and that NSCS does not allow deductions that violate the Fair Labor Standards Act.

Any exempt employee who believes they have been subject to an improper deduction or whose pay does not accurately reflect the hours worked, should immediately report the matter to the Business Office. If the Business Office is unavailable or if the employee has not received a prompt and satisfactory response from the Business Office, they should report the matter to the Executive Director.

Exempt employees will be reimbursed for any improper deduction. Every report of an improper deduction will be promptly investigated. NSCS will not allow retaliation against any employee who reports an improper deduction or who cooperates in NSCS's investigation of such reports.

This policy does not limit employees' rights to communicate with each other or with third parties about their wages, benefits, or other terms and conditions of employment.

E. EMPLOYMENT BENEFITS

1. INTRODUCTION

NSCS is committed to providing flexible and cost-effective benefits to employees according to their employment status. However, NSCS may change the types of benefits, or change insurance carriers, deductibles, premiums, or any other feature of any benefits, including but not limited to eligibility for benefits, at any time, in its sole and complete discretion. In addition, NSCS may discontinue one or more benefits at any time, in its sole and complete discretion. Covered employees will be notified of changes or discontinuations as soon as is practicable.

2. DETAILS

Each employee's benefits are summarized in a written employment agreement. The applicable insurance policies, summary plan descriptions, and plan documents explain each benefit in detail. The various policies and plans are controlled by the provisions of those documents. Any questions regarding benefits should be directed to The Business Office.

F. LEAVES OF ABSENCE

NSCS will not discharge, discipline, penalize, interfere with, threaten, restrain, coerce or otherwise retaliate or discriminate against any employee for requesting or obtaining any leave of absence for any reason.

1. BONE MARROW DONATION LEAVE

NSCS will provide paid leave to any employee who works an average of 20 or more hours per week and seeks to undergo a medical procedure to donate bone marrow. The combined length of the leaves will not exceed 40 work hours, unless NSCS authorizes additional leave in writing. In order to qualify for leave, the employee must provide NSCS with written verification by a physician of the purpose and length of each leave. If there is a medical determination that the employee does not qualify as a bone marrow donor, any paid leave granted prior to that determination is not forfeited.

2. CIVIL AIR PATROL SERVICE LEAVE

NSCS will provide unpaid leave to any employee who works an average of 20 or more hours per week to render service as a member of the civil air patrol on the request and under the authority of the state or any of its political subdivisions, so long as the leave will not unduly disrupt the operations of NSCS.

3. CRIME VICTIMS LEAVE

NSCS will permit employees to take a reasonable amount of paid time off to attend criminal proceedings if the employee is a victim or witness who is subpoenaed or requested by the prosecutor to attend court or is a victim of a violent crime or the spouse or immediate family member of a victim of a violent crime. NSCS will also permit employees to take a reasonable amount of paid time off to obtain a restraining order or order for protection or to otherwise attempt to obtain relief from harassment or domestic abuse. NSCS requires 48 hours' advance notice of the need for leave, unless providing such notice is impracticable, and may require verification of the reason for the leave.

4. ELECTION JUDGE LEAVE

NSCS will provide paid leave to any employee who is selected to serve as an election judge pursuant to Minnesota Statute § 204B.21. Although the leave is paid, NSCS will reduce the wages of any employee serving as an election judge by the amount paid to the employee by the appointing authority during the time the employee was absent from work. In order to qualify for leave, an employee must provide NSCS with at least 20 days' advance written notice of the need for leave and a certification from the appointing authority stating the hourly compensation to be paid to the employee for his or her service and the hours during which the employee will serve.

5. FAMILY AND MEDICAL LEAVE (FMLA)

I. DEFINITION

A family or medical leave of absence is defined as an approved absence available to eligible employees for up to 12 weeks or, in some circumstances up to 26 weeks, of unpaid leave during a 12-month period under particular circumstances that are critical to the life of a family. To

determine the amount of FMLA leave to which an employee is entitled, the 12-month period is measured forward from the date the employee's FMLA leave first begins.

Leave may be taken:

- on the birth of an employee's child;
- on the placement of a child for adoption or foster care with an employee;
- when an employee is needed to care for a child, spouse, or parent who has a serious health condition;
- when an employee is unable to perform at least one of the essential functions of their position because of the employee's own serious health condition;
- when an employee has a spouse, son, daughter, or parent who is on covered active duty (or has been notified of an impending call or order to covered active duty) in a regular component of the Armed Forces for duty during deployment to a foreign country, or who is a member of a reserve component of the Armed Forces for duty during deployment to a foreign country under a call or order to active duty under federal law, and the employee needs to address certain qualifying exigencies related to that family member; or
- when an employee is needed to care for a spouse, son, daughter, parent, or next of kin who is a covered servicemember, including certain veterans, with a serious injury or illness.

II. SCOPE

This policy applies to all family and medical leaves of absence including leaves that are covered under paid employment benefit plans or policies for any part of the 12 weeks' or 26 weeks' leave to which the employee may be entitled under this policy. In other words, if an employee is entitled to both FMLA leave and paid leave under another benefit plan or policy, the employee is required to use all applicable paid leave to which the employee is entitled before unpaid leave, and the FMLA leave and the paid and unpaid leave will run concurrently.

III. ELIGIBILITY

To be eligible for leave under this policy, an employee must have been employed by NSCS for at least 12 months and must have worked at least 1,250 hours during the 12-month period immediately preceding the beginning of the leave.

Exception: If an employee on leave is salaried and among the highest paid 10% of company employees employed within 75 miles of the employee's worksite, and keeping the job open for the employee would result in substantial and grievous economic injury to the company, the employee can, in some circumstances, be denied job restoration after leave. In this situation, the employee will be given an opportunity to return to work during leave.

IV. BASIC CONDITIONS OF LEAVE

Medical certification. NSCS will require medical certification to support a claim for leave for an employee's own serious health condition or to care for a child, spouse, or parent with a serious health condition. For the employee's own serious health condition, the certification must include a statement that the employee is unable to perform the essential functions of his or her position. For leave to care for a child, spouse, or parent with a serious health condition, the certification must include an estimate of the amount of time that the employee is needed to provide care.

NSCS may require a second medical opinion and periodic recertifications at its own expense. If the first and second opinions differ, NSCS may require the binding opinion of a third health care

provider, approved jointly by NSCS and the employee and paid for by NSCS. The employee will be provisionally entitled to leave and benefits under FMLA pending the second and/or third opinion.

Intermittent or reduced leave schedule. Leave may be taken on an intermittent or reduced-leave schedule if it is medically necessary for a serious health condition of the employee or their spouse, child, or parent, for a qualifying exigency, or to care for a covered servicemember with a serious injury or illness. If leave is requested on this basis, however, NSCS may, in certain circumstances, require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring absences. The alternative position will have equivalent pay and benefits.

Spouses combined leave. Spouses who are both employed by NSCS are entitled to a joint total of 12 weeks' leave (rather than 12 weeks each) for the birth or placement for adoption or foster care of a child or for the care of a parent with a serious health condition. Spouses are entitled to a combined 26 weeks' leave for the care of a covered servicemember with a serious injury or illness. For any other qualifying FMLA reason, each spouse will be entitled to the full 12 weeks of FMLA leave, or that portion of leave remaining in the relevant 12-month period.

V. NOTIFICATION AND REPORTING REQUIREMENTS

When the need for leave is foreseeable, such as the birth of a child, the placement for adoption or foster care of a child, or planned medical treatment, the employee must generally provide reasonable prior notice, usually 30 days' notice, and make an effort to schedule leave so that it does not unduly disrupt company operations. When the need for leave is not foreseeable, the employee must provide notice as soon as practicable. Employees will be required to provide recertification of the need for leave and report periodically on their status and intent to return to work. Employees will also be required to furnish a fitness-for-duty certification upon returning to work when leave was occasioned by the employee's own serious health condition that made the employee unable to perform the employee's job.

VI. STATUS OF EMPLOYEE BENEFITS DURING LEAVE OF ABSENCE

Health insurance. Group health care coverage will continue for employees on leave as if they were still working. Employees who are granted an approved leave of absence under this policy are advised to arrange to pay their share of premiums during the absence. If the leave is paid, premiums will continue to be paid through payroll deductions. If the leave is unpaid, employees are responsible for making sure the company receives premium payments by the normal payroll dates.

Recovery of premiums. If an employee chooses not to return to work, or does not stay at work for at least 30 days upon return from leave (for reasons other than retirement), after an approved leave of absence, NSCS may recover from the employee the cost of any payments made to maintain the employee's health insurance while the employee was on leave, unless the failure to return from leave is because of either a continuation, recurrence, or onset of a serious health condition of the employee or the employee's family member, or a serious injury or illness of a covered servicemember, or other circumstances beyond the employee's control. Benefit entitlements based on length of service will be calculated as of the last paid work day before the start of the leave of absence.

VII. SPECIAL RULES FOR INSTRUCTIONAL EMPLOYEES

An instructional employee is one whose principal function is to teach and instruct students in a class, a small group, or an individual setting. This includes, but is not limited to, teachers, coaches, driver's education instructors, and special education assistants.

Instructional employees who request foreseeable medically necessary intermittent leave or leave on a reduced work schedule greater than 20 percent of the work days in the leave period may be required to:

1. take leave for the entire period or periods of the planned medical treatment; or
2. transfer temporarily to an available alternative position for which the employee is qualified, and which provides equivalent pay and benefits, and which better accommodates recurring periods of leave.

Instructional employees who request continuous leave near the end of a trimester may be required to extend the leave through the end of the trimester. The number of weeks remaining before the end of a trimester does not include scheduled school breaks, such as summer, winter, or spring break.

The regular rules apply except in circumstances when:

1. An instructional employee begins leave more than five weeks before the end of a term. NSCS may require the employee to continue taking leave until the end of the term if –
 - (i) The leave will last at least three weeks, and
 - (ii) The employee would return to work during the three-week period before the end of the term.
2. The employee begins leave during the five-week period before the end of a term because of the birth of a son or daughter; the placement of a son or daughter for adoption or foster care; to care for a spouse, son, daughter, or parent with a serious health condition; or to care for a covered servicemember. NSCS may require the employee to continue taking leave until the end of the term if –
 - (i) The leave will last more than two weeks, and
 - (ii) The employee would return to work during the two-week period before the end of the term.
3. The employee begins leave during the three-week period before the end of a term because of the birth of a son or daughter; the placement of a son or daughter for adoption or foster care; to care for a spouse, son, daughter, or parent with a serious health condition; or to care for a covered servicemember. NSCS may require the employee to continue taking leave until the end of the term if the leave will last more than five working days.

If an employee chooses to take leave, the entire period of leave taken will be counted as FMLA leave. If an employee is required to take leave until the end of an academic term, only the period of leave until the employee is ready and able to return to work will be charged against their FMLA entitlement. However, the school district will continue to fulfill its leave responsibilities

and obligations, including the obligation to continue the employee's health insurance and other benefits and to restore the employee to the same or an equivalent position at the conclusion of the leave.

VIII. PROCEDURES

All requests for family and medical leaves of absence due to a serious health condition must be supported by a sufficient medical certification stating, among other things:

1. the date on which the serious health condition began;
2. the probable duration of the condition; and
3. the appropriate medical facts that the health care provider knows about the condition.

In addition, for leave to care for a child, spouse, or parent with a serious health condition, the certification must include an estimate of the amount of time that the employee is needed to provide such care.

For leave for an employee's own serious health condition, the certification must state that the employee is unable to perform the essential functions of his or her position and the likely duration of such inability.

For certification for intermittent leave or leave on a reduced-leave schedule for planned medical treatment, the certification must state the dates on which such treatment is expected to be given and the duration of the treatment and any periods of recovery.

Certification will also be required when an employee requests leave for a qualifying exigency or to care for a covered servicemember with a serious injury or illness,

IX. EFFECT OF LABOR AGREEMENT

All family and medical leaves will be governed by the provisions of this policy unless modified by an applicable labor agreement which provides greater family or medical leave rights.

X. MINNESOTA PREGNANCY AND PARENTING LEAVE ACT

Even if an employee is not eligible for parental leave under the FMLA, they may be eligible for leave under the Minnesota Pregnancy and Parenting Leave Act. That Act will be effective for employees who do not meet the eligibility requirements of the FMLA, and, in any case where state law provides a better benefit, it will also be effective for employees who are covered by the FMLA. (See the Pregnancy and Parenting Leave policy.)

NSCS will comply with the FMLA and implementing regulations, as required by law. NSCS will not interfere with, restrain, or deny any employee the exercise of any right provided under the FMLA, and will not discriminate against or discharge any person for opposing any practice made unlawful by the FMLA, or for involvement in any proceeding under or relating to the FMLA. See also Family and Medical Leave Policy 410.

6. EXTENDED PERSONAL LEAVE

I. PURPOSE

The purpose of this policy is to provide for extended personal leaves of absence when the leave does not qualify for protection under the FMLA.

II. GENERAL STATEMENT OF POLICY

An employee who has completed at least four school years of service and who is in good standing (has not been subject to disciplinary action within the previous calendar year) may request an extended personal leave of absence for up to one calendar year twice during their employment at NSCS.

III. PROCEDURES

- A. Extended personal leaves will be unpaid.
- B. An employee must use all accrued flex time prior to being eligible for an extended personal leave.
- C. Seniority status will not be accrued during extended personal leaves.
- D. While an employee is on extended personal leave, all employer-paid benefits will cease. The employee may elect the continuation of benefits through the Consolidated Omnibus Budget Reconciliation Act (COBRA) during the leave.
- E. The employee will be responsible to confirm in writing that they intend to return to work ninety (90) days prior to the last day of the extended leave. Any employee who fails to confirm their return to work after leave may be subject to dismissal from employment.
- F. Employees are expected to return to work by the end of their approved leave. If an employee plans to return to work sooner than the expected return date listed on the Leave Request, the employee must notify the Director in writing thirty (30) days prior to the early return.

7. JURY DUTY LEAVE

NSCS will provide unpaid leave to any non-exempt employee who reports to jury duty in response to a summons. Leave for exempt employees will be coordinated by the Business Office. NSCS will not take adverse action against any employee who receives a summons, responds to a summons, attends court for prospective jury service, or serves as a juror.

8. MILITARY LEAVE

All employees who are called to service in the armed forces are eligible for unpaid military leave in accordance with state and federal law. Leave is available for active duty, active duty for training, initial active duty for training, inactive duty training, full-time National Guard duty, for examinations to determine fitness for any such duty, and for any other leave permitted by state and federal law. An employee should notify their supervisor of the need for military leave as far in advance of the leave as possible. An employee's rights with respect to the substitution of accrued paid vacation time, the continuation of health plan coverage, and the accrual of benefits

during military leave, in addition to reinstatement after military leave, will be as defined by state and federal law.

9. MILITARY CEREMONIES LEAVE

NSCS will provide up to a maximum of 1 day of unpaid leave each calendar year to any employee whose immediate family member, as a member of the United States armed forces, has been ordered into active service in support of a war or other national emergency for the purpose of attending a send-off or homecoming ceremony for that family member, so long as the leave will not unduly disrupt the operations of NSCS. "Immediate family member" means an employee's parent, legal guardian, child, grandparent, grandchild, sibling, spouse, or fiancée.

10. MILITARY FAMILIES LEAVE

NSCS will provide up to a maximum of 10 working days of unpaid leave to any employee whose immediate family member, as a member of the United States armed forces, has been injured or killed while engaged in active service. "Immediate family member" means an employee's parent, child, grandparent, sibling, or spouse. An employee must give his or her manager as much notice of the need for leave as practicable. Although the leave is unpaid, an employee may substitute any accrued paid leave for any part of the leave.

11. PREGNANCY AND PARENTING LEAVE

NSCS will provide up to a maximum of 12 weeks of unpaid leave to any employee for: (1) a biological or adoptive parent in conjunction with the birth or adoption of a child; or (2) a female employee for prenatal care, or incapacity due to pregnancy, childbirth, or related health conditions. The length of the leave shall be determined by the employee, but must not exceed 12 weeks, unless agreed to by NSCS.

The leave shall begin at a time requested by the employee. However, for leave taken for a birth or adoption, the leave must begin within 12 months of the birth or adoption (unless the child must remain in the hospital longer than the mother, in which case the leave must begin within 12 months after the child leaves the hospital).

The employee must provide NSCS with reasonable notice of the date the leave will commence and the estimated duration of the leave. NSCS will continue to make insurance coverage available to the employee and the employee's dependents (if any) during the leave, although the employee must pay the full premium.

The 12 weeks of leave may be reduced by: (1) any period of available disability, sick, or vacation time; or (2) any period of FMLA leave taken for the same reason. In most circumstances, the employee is entitled to a total of 12 weeks of pregnancy and parenting leave, unless NSCS agrees to provide additional leave.

12. SCHOOL CONFERENCES AND SCHOOL-RELATED ACTIVITIES LEAVE

NSCS will provide up to a maximum of 16 hours of unpaid leave during any 12-month period to any employee who is employed by NSCS at least one-half time during the 12-month period immediately preceding the leave for the purpose of attending the school conferences or school-related activities of their child (including a foster child), if such conferences or activities cannot be scheduled during non-working hours. If an employee's child receives child care services or attends a prekindergarten regular or special education program, the employee may also use this

leave to attend a conference or activity related to the child, or to observe and monitor the services or program, if such conference, activity, or observation cannot be scheduled during non-working hours. Although the leave is unpaid, an employee may substitute any accrued vacation time for any part of the leave. When the need for leave is foreseeable, an employee must give their manager reasonable advance notice of the need for leave and must make a reasonable effort to schedule the leave so as not to unduly disrupt NSCS's operations.

13. SICK AND SAFE LEAVE

NSCS will provide sick and safe leave to employees, which is paid leave that can be used for certain reasons, including but not limited to, when an employee is sick, to care for a family member who is sick, or to seek assistance if an employee or their family member has experienced domestic abuse.

All employees who perform work for at least 80 hours per year are eligible for sick and safe leave. Independent contractors are not eligible. Current employees will begin accruing sick and safe leave on January 1, 2024. Employees hired after that date will begin to accrue sick and safe leave upon hire.

An employee will accrue one hour of sick and safe leave for every 30 hours worked, up to a maximum of 48 hours in a year. For purposes of this policy, the "year" is the fiscal year (July 1 to June 30). Employees will not accrue sick and safe leave on a day that they do not work, such as a Flex Day. If an employee holds different positions with different rates of pay, sick and safe leave will be paid based upon the position that the employee would have worked on that day.

An employee will carry over accrued but unused sick and safe leave into the following year. The total amount of accrued but unused sick and safe leave must not exceed 80 hours at any time.

Employees will be able to access their pay period information on SMART eR. The Business Manager will share login information at the beginning of each year or the start of employment after the beginning of the year.

Use: Employees can use their sick and safe leave for the following reasons:

- The employee's mental or physical illness, injury, or health condition; need for diagnosis, care, or treatment; or need for preventative care;
- A family member's mental or physical illness, injury, or health condition; need for diagnosis, care, or treatment; or need for preventative care;
- Absence due to domestic abuse, sexual assault, or stalking of the employee or a family member, provided the absence is to:
 - Seek medical attention related to physical or psychological injury or disability caused by domestic abuse, sexual assault, or stalking;
 - Obtain services from a victim services organization;
 - Obtain psychological or other counseling;
 - Seek relocation or take steps to secure an existing home due to domestic abuse, sexual assault, or stalking; or
 - Seek legal advice or take legal action, including preparing for or participating in any civil or criminal legal proceeding related to or resulting from domestic abuse, sexual assault, or stalking;
- Closure of the employee's workplace due to weather or public emergency or an employee's need to care for a family member due to closure of the family member's school or place of care due to weather or public emergency;

- The employee’s inability to work or telework because the employee is:
 - Prohibited from working by the employer due to health concerns related to the potential transmission of a communicable illness related to a public emergency; or
 - Seeking or awaiting the results of a diagnostic test for, or a medical diagnosis of, a communicable disease related to a public emergency and such employee has been exposed to a communicable disease or the employee’s employer has requested a test or diagnosis; and
- When determined by a health authority or health care professional that the employee or family member is at risk of infecting others with a communicable disease, whether or not they have actually contracted a communicable disease.

For purposes of sick and safe leave, an employee’s “family member” includes:

- Child, foster child, adult child, legal ward, child for whom the employee is legal guardian, or child to whom the employee stands or stood in loco parentis;
- Spouse or registered domestic partner;
- Sibling, stepsibling, or foster sibling;
- Biological, adoptive, or foster parent, stepparent, or a person who stood in loco parentis when the employee was a minor child;
- Grandchild, foster grandchild, or stepgrandchild;
- Grandparent or stepgrandparent;
- A child of a sibling of the employee;
- A sibling of the parents of the employee; or
- A child-in-law or sibling-in-law;
- Any of the family members listed above of a spouse or registered domestic partner;
- Any other individual related by blood or whose close association with the employee is the equivalent of a family relationship; and
- Up to one individual annually designated by the employee.

An employee may use sick and safe leave in 15-minute increments. An absence under this policy qualifies as an excused absence.

Notice: If the need for sick and safe leave is foreseeable (for example, for a scheduled medical appointment), an employee must give their immediate supervisor or coordinator (for Special Education, Food Service, Facilities) at least 7 days’ advance written notice. If the need is not foreseeable, an employee must give their immediate supervisor/coordinator notice as soon as practicable, usually by calling in before the start of the school day. Employees should complete an ESST Form as soon as possible.

Documentation: When an employee uses sick and safe leave for more than 3 consecutive days, NSCS may require documentation that the time is covered by the Sick and Safe Leave law.

Cash Out: Upon involuntary or voluntary termination of employment, an employee’s accrued unused sick and safe leave will be forfeited, and not cashed out.

Employee Rights and Remedies: NSCS will not retaliate or discriminate against an employee because they have exercised or attempted to exercise their rights under the Sick and Safe Leave law, including, but not limited to, requesting or using sick and safe leave. Employees have the right to file a complaint with the Minnesota Department of Labor and Industry or bring a civil

action if NSCS has improperly denied sick and safe leave or if they have been retaliated against for requesting or using sick and safe leave.

14. VOTING LEAVE

NSCS will provide paid leave to any employee who is eligible to vote for the time necessary to appear at the employee's polling place, cast a ballot, and return to work on the day of a covered election or during the period allowed for voting in person before a covered election. A "covered election" includes a regularly scheduled state primary or general election, an election to fill a vacancy in the office of United States senator or United States representative, or an election to fill a vacancy in the office of state senator or state representative, an election to fill a vacancy in nomination for a constitutional office, or a presidential nomination primary.

NSCS will not retaliate against any employee for requesting or taking any type of leave.

Limited personal use, such as making a personal telephone call or accessing the internet for personal purposes during meal breaks, work breaks, or other non-work time is acceptable. However, personal use must not interfere with the performance of work duties and must be consistent with NSCS's policies and procedures, including the Respectful Workplace policy.

Any telephonic or e-mail communications created, sent, received, accessed, or stored with NSCS's telephonic or e-mail systems are the property of NSCS. Therefore, employees do not have an express or implied personal privacy right in any matter created, sent, received, accessed, or stored with NSCS's telephonic or e-mail systems. Although NSCS does not intend to routinely monitor telephonic or e-mail communications, it may monitor these systems and access information or communications stored on the systems to maintain the integrity and efficiency of the system, prevent and discourage unauthorized access and system misuse, retrieve business-related information, investigate reports of misconduct or misuse, reroute or dispose of undeliverable mail, or respond to lawful requests for information, including requests from law enforcement agencies. The existence of passwords or "message delete" functions does not restrict or eliminate NSCS's ability or right to access information or communications stored on NSCS's e-mail system.

Employees also do not have an express or implied personal privacy right in any information created, sent, received, or accessed with NSCS's internet system. Although NSCS does not intend to routinely monitor internet use, it may do so to maintain the integrity and efficiency of the system, prevent and discourage unauthorized access and system misuse, retrieve business-related information, or investigate reports of misconduct or misuse. The existence of passwords does not restrict or eliminate NSCS's ability or right to monitor internet use.

If any employee receives inappropriate or unacceptable material from another employee or observes another employee engaging in inappropriate or unacceptable use of NSCS's telephones or computer resources, they must contact their supervisor immediately.

Any violation of this policy will result in the revocation of privileges to use NSCS's telephones and computer resources. In addition, any violation of this policy will result in disciplinary action, up to and including termination of employment.

5. CELLULAR TELEPHONES

Employees must limit the use of their personal cellular telephones during work time. Employees may use their cellular telephones during meal breaks, work breaks, or other non-work time.

For purposes of this policy "use" of a cellular telephone includes playing games, sharing non-school related photos, placing and sending outgoing calls and text messages, receiving incoming calls and text messages, and sending and receiving other kinds of data on smart phones.

Any employee whose use of a cellular telephone interferes with the performance of work duties or violates any NSCS policy, including, but not limited to, the Equal Employment Opportunity policy, or the Respectful Workplace policy, will be subject to disciplinary action, up to and including termination of employment. However, nothing in this policy prohibits employees from using their cellular telephones to engage in protected activity, such as documenting a workplace safety concern.

6. EMPLOYMENT REFERENCES

If NSCS receives a request for information from another person or entity about an employee, either during the employee's employment or after the employee's employment has ended, NSCS will provide only the following information: dates of employment and last job title.

NSCS will not furnish any additional information, unless the employee specifically directs it to do so and signs a release prepared by NSCS which authorizes it to do so. If an employee does not authorize NSCS to furnish any additional information, NSCS will advise the requesting person or entity that, absent a release, NSCS will provide only the information set out above.

7. TARDINESS AND ABSENTEEISM

Regular, reliable attendance is an essential function of every position at NSCS. Employees must report to work on time. In situations where tardiness or absenteeism is foreseeable, an employee must give their immediate supervisor or coordinator (for Special Education, Food Service, Facilities) at least 7 days' advance written notice. In other situations, an employee must give their supervisor/coordinator notice as soon as practicable, usually by calling in before the start of the school day. Teachers are responsible for arranging for a substitute for any absence. However, if a teacher needs time off for sick and safe leave and is not able to find a substitute, the teacher will be granted that time off and their absence will be excused.

Any employee who is habitually tardy and or absent, excluding time off for protected leave, will be subject to disciplinary action, up to and including termination of employment.

8. DISCIPLINE AND DISMISSAL

I. Purpose

The purpose of this policy is to provide a disciplinary process for the NSCS Director and Supervisors. This policy is not used by the NSCS Board of Directors and does not apply to the Director.

II. General Statement of Policy

The NSCS Director or Supervisor will review all pertinent facts and information when disciplining employees. An employee has the right to have a third party present during any step of the discipline, improvement, or termination process. If an employee requests that a third party be present during any step of these processes, the meeting time must occur by the end of the employee's next scheduled work day or an alternate date on which the employee and the Director or Supervisor mutually agree.

III. Discipline

A. Misconduct

Employee misconduct will result in disciplinary action, up to and including termination of employment. Conduct which falls into this category includes, but is not limited to:

1. unprofessional conduct;
2. neglect of duties;
3. failure to observe rules, regulations, policies and standards of the school district and/or directives and orders from supervisors and any other act of an insubordinate nature;
4. use of illegal drugs or any other substance on the job or any use off the job which affects an employee's performance;

5. activities of a criminal nature- ;
6. falsification of credentials and experience;
7. destruction of school property;
8. acts constituting inappropriate conduct; and
9. violation of the rights of others as provided by federal and state laws related to human rights as determined by the NSCS School Board.

B. Forms of Discipline for Misconduct

The forms of discipline that may be imposed by the Director or Supervisor, include, but are not limited to:

oral warning with written documentation;

1. written warning or reprimand;
2. probation/improvement plan;
3. suspension with or without pay- ;
4. termination.

Progressive discipline is usually, although not always, followed. Any of the above steps may be repeated or skipped.

C. Employee Improvement Plan for Poor Performance

The Director or Supervisor will give written notice of deficiency to the employee after an evaluation and/or performance review. The Director or Supervisor and the employee will develop a written improvement plan outlining the following:

1. corrections to be made;
2. process for improvement;
3. criteria for successful improvement; and
4. a schedule of future evaluations.

The employee will have 30 school days to make corrections and then a meeting will be held with the employee to assess their progress. The Director or Supervisor may extend the correction period for up to 30 additional school days. If the Director or Supervisor determines additional time is needed, the Director or Supervisor must seek NSCS School Board approval prior to the end of the 60 day corrective period (original 30 days plus 30 day extension).

If adequate progress, as determined by the Director or Supervisor, is not made during the correction period, written notice of pending termination will be given to the employee, and the Director or Supervisor will make a recommendation to the NSCS Board to terminate employment. The employee may make a written appeal to the NSCS School Board within 10

calendar days to dispute the termination. An employee may be assisted by a representative during the appeal process.

D. Immediate Termination

Notwithstanding the foregoing, the NSCS Board may terminate an employee, effective immediately, upon any of the following grounds:

1. unethical conduct or conviction of a felony;
2. conduct unbecoming an NSCS employee which requires the immediate removal of the employee from classroom or other duties;
3. willful neglect of duty; or
4. suspension or revocation of an employee's professional license.

Should any of the above violations occur, the Director or Supervisor would make a recommendation of termination to the NSCS School Board. The NSCS School Board must notify the employee in writing and state its grounds for the proposed termination in reasonable detail. Within 10 calendar days after receiving this notification, the employee may make a written request for a meeting with the NSCS School Board and such request shall be granted before final action is taken. The NSCS School Board may, however, suspend an employee without pay pending the conclusion of such a meeting. An employee may be accompanied by a representative during such meeting.

9. SAFETY

All employees are expected to obey safety rules and to exercise caution and common sense in all work activities. Employees must immediately report any unsafe conditions to the Executive Director. In the event an employee is hurt or becomes ill at work, they must immediately notify the Executive Director.

10. SECURITY

All employees who are issued keys to the school are responsible for their safekeeping. Either the last employee to leave the office or a previously designated employee must ensure that all doors are securely locked, windows are closed and locked, and all appliances and lights are turned off, with the exception of any lights left on for security purposes.

11. WAGE DISCLOSURE

Employees have the right to communicate about wage/salary, benefits, and other terms and conditions of employment. NSCS will not: (1) require non-disclosure by an employee of their wages as a condition of employment; (2) require an employee to sign a waiver or other document which purports to deny an employee the right to disclose the employee's wages; or (3) take any adverse employment action against an employee for disclosing the employee's own wages or discussing another employee's wages which have been disclosed voluntarily.

NSCS will not discharge, discipline, penalize, interfere with, threaten, restrain, coerce, or otherwise retaliate or discriminate against any employee for asserting any rights or remedies with respect to the Minnesota Wage Disclosure Protection statute. Any employee may bring a civil action against NSCS and/or file a complaint with the Minnesota Department of Labor and

Industry for a violation of the statute. Remedies may include reinstatement, back pay, restoration of lost service credit, and expungement of any adverse records.

12. WEATHER / EMERGENCY CLOSINGS

In the event there is a school closure on a scheduled student contact day due to a natural or unforeseen act (i.e. snowstorm, mechanical system failure) NSCS recognizes its employees' preparation and scheduled attendance obligation by compensating each employee for their regular daily rate.

In the event that an employee is required to report to work on an additional calendar day by the School Board or designee to make up lost instructional or non-instructional time due to a school closure, the employee will be expected to report to work as required and will receive no additional compensation. If an employee was not regularly scheduled to work on a school closure day, but is required to be at work on a day that is considered a make-up day, then the employee will be paid at their regular daily rate of pay.

13. WORK SPACES AND FILES

NSCS reserves the right to inspect any and all classrooms, desks, files, documents, computers, and work product, which are and remain the property of NSCS. Therefore, employees do not have an express or implied personal privacy right in regard to any such matters.

14. WORKERS' COMPENSATION

All employees are covered under workers' compensation insurance. If an employee is injured at work, they must immediately report their work injury to the Business Manager or their supervisor or coordinator (for Special Education, Food Service, Facilities). The Business Manager or supervisor/coordinator will assist in completing the steps to contact the EMC OnCall Nurse as outlined by NSCS's compensation provider. Contact information is located in the staff lounge and on the Staff Resources Dashboard.
