AHERA Annual Asbestos Notification

During the past school year and continuing into the 2024-2025 school year the following asbestos management plan activities have been or are currently being completed, pursuant to the Environmental Protection Agency 40 CFR Part 763- "Asbestos Containing Materials in Schools; Final Rule and Notice."

ACTIVITIES SCHEDULED FOR 2024-2025

- Periodic surveillance
- Asbestos Repairs
- Notification of Asbestos Locations for Short-Term Workers (Electricians, Plumbers, etc.)
- Training of School Personnel

North Shore Community School has contracted through the Institute for Environmental Assessment (IEA) to provide Environmental, Health and Safety consulting services, including being involved in the above-listed activities.

The Asbestos management plan is available for review through the school office.

Any questions concerning this notice or an explanation of our Asbestos Management Plan can be directed to Chad Maki with North Shore Community School at (218) 525-0663 or with IEA at (218) 410-9521.
