Indoor Air Quality Annual Notification

North Shore Community School has an Indoor Air Quality (IAQ) management plan. The management plan outlines specific policies and procedures that will be used in the school to address indoor air quality issues. IEA, the School's health and safety consultant completes annual IAQ assessments within the school to ensure proper air quality.

Any questions concerning this notice or an explanation of our IAQ Management Plan can be directed to Chad Maki with North Shore Community School at (218) 525-0663 or with IEA at (218) 410-9521.
